How to submit your Climb application

Step 1

Your information

We'll need some basic information about you, including:

- Legal name
- Contact information (including email, phone number, and address)
- Social Security Number
- Income

Step 2

Course information

Next, you'll enter details about the course you're financing, including:

- Campus location
- Program name
- Start date
- School application number, if applicable

Step 3

Co-borrower information

You have the option to add a co-borrower, which can help strengthen your application! If you have one, you'll need some of their information on-hand:

- Legal name
- Contact information (including email, phone number, and address)
- Social Security Number
- Income

Step 4

Disclosures

You're given a sample disclosure with general information and an example of what your loan might look like. You can also select whether you want to receive forms electronically or by physical mail.

Step 5

Confirmation

Success! The application has been submitted, and you're provided with a Climb reference number and link to your online Student Portal page.
